It makes them more confident to face their daily challenges. With today's advanced technology, you can get your child get the preschool education on the internet. One of the best ways to start teaching your little kids is by providing them with coloring sheets. Coloring may seem like a simple activity, but it can help your child learn a variety of skills. It helps to sharpen the mind and develop awareness and self-confidence. Top 15 Preschool Coloring Pages: Here is a collection of some easy coloring pages for preschoolers for your young children. These preschool coloring sheets will introduce new concepts to your child in a fun and stress free manner. 1. Alphabet: The alphabet coloring sheet is a good way to introduce your preschool children to the letters of the alphabets. Teach your preschool child about alphabets with this coloring sheet. Learning to write the letter can take a long time, so be patient with your child. You can also decorate their wall with their art pieces. This will make the kids feel proud of their work. Coloring activity will also help increase their interest in the letters and alphabets. [Read: Alphabet Coloring Pages] 2. Number: Is your child learning to count the numbers? Then this coloring sheet will give him a fun way to do it. Ask your child to fill the numbers in different colors. This will make the coloring sheet look colorful. This coloring sheet will prepare your kids for school level addition. [Read: Number Coloring Pages] 3. Color Recognition: Coloring sheets are a great way to teach your child about different colors. This coloring page features the assorted items that are orange in color. Take some time out and explain each object to your kid. Ask your child if he or she can think of anything else in the same color. Your children might face some trouble initially in remembering the names of colors, but they will learn in sometime. 4. Connect-The-Dots: Help your child practice the alphabets with this fun dot-to-dot coloring sheets. Ask your child to complete the picture of gingerbread by connecting the dots from A to U. When he is finished connecting the dots, ask him to color the gingerbread. This coloring sheet will help your child recognize the letters and follow them in alphabetical order. 5. Circus: Children totally love going to the circus. The juggling, gymnastic and animals fascinate kids of all age groups. Take your child to the virtual circus with this cute coloring sheet. The coloring sheet features a cheerful elephant showing a balancing act. Invite your child to add some vibrant colors to this circus scene. This coloring sheet has a very simple outline, so your preschooler will face no difficulty while coloring the sheet. You can also your child to make some patterns like polka dots or triangles on the diagram. [Read: Zoo Animals Coloring Pages] 6. Counting: This fun counting coloring sheet will add a bit more sweetness to your kid's math practice. Ask your child to count the ice cream cones and snail. Then tell him to add colors of his or her choice to the ice cream cones and snails. 7. Puzzle Color: Here is a unique coloring sheet for your preschools. Ask your child to color the spaces with the word "cat" in orange. He can use any color for the remaining spaces. This coloring sheet will help your child practice visual discrimination, phonics and reading skills while coloring this sheet. 8. Shape Recognition: Shape recognition pages are very useful for children's cognitive development. The coloring sheet features hexagon, star, pentagon and hexagon shapes. Ask them to trace the shapes and then brighten them with some color. This coloring sheet will help your child to learn about various shapes in a fun way. It will also help your kid understand the elementary shapes and structures. [Read: Wixn Club Coloring Pages] 9. Tracing: This coloring sheet will let your child trace and color apples and the apple tree. The tracing activities help develop a child's control of hand muscles and hand-eye coordination. It will also develop the ability to make logical connection, which is a precursor to both math and language. [Read: Apple Coloring Pages] 10. Rhyme: Help your preschool child learn some words with this classic nursery rhyme. The coloring sheet features old mother goose riding through the air on a fine gander. Encourage your child to think about simple sounds and sight words with this coloring sheet. It will also build artistic ability and fine motor skills in your kids. 11. Color By Number: Preschool kids totally love using the color key to guide them in their work. This activity will also help them review the names of the colors. Ask your child to follow the color key to complete the picture. This is a terrific way to practice the number skills. [Read: Banana Coloring Pages] 12. Tracing The Letters: Once your child has learned the letters and their sound, teach them how to write each of the letters. Tracing the letters will help the child learn how the letters are formed. This coloring sheet features both upper and lower case letters. It also includes the picture of a dinosaur. Writing requires hand-eye coordination and concentration, so your child needs to practice a lot in order to acquire correct letter formation. 13. Robot: Kids are fascinated by robots. This is a simple coloring sheet of a robot in action. Print out his coloring sheet to brighten your kid's evening. Share this coloring sheet with your kid to acquaint him with this amazing creature. You can also narrate a story about robots, while your child colors the sheet. 14. Fruits: This fruit-coloring sheet is a fun way to make your little one talk about everything that he knows about a fruit. Help your child add some fun and fruity colors to these foods. Make sure he reviews the shapes he sees on the page. You can also encourage your preschooler to use his crayons to match up the colors with fruits. 15. Rainbow: Little kids love to draw and paint rainbows. The blank picture is simple and allows kids to fill various colors. Ask your child to color each part of the rainbow with a different color. You can also narrate the Irish tale of a pot of gold at the end of the rainbow. This will increase your child's interest in the coloring sheet. So what are you waiting for? Print out these free printable preschool coloring pages online and let your children play with crayons, watercolors and color pencils. This fun activity will keep your child occupied for hours. You can also prepare your own preschool coloring book. Allow your child to have fun with coloring. Do not force him to be perfect while coloring these preschool coloring worksheets. Let him have messy fun! Moms, please share your thoughts on this article in the section below at DISCLAIMER: All images found here are believed to be in the "public domain".
